Objective

Enthusiastic full-stack web developer with expertise in HTML, CSS, JavaScript, React, MongoDB, Node, Express, TailwindCSS, and Data Structures and Algorithms (DSA). Passionate about building responsive web applications that provide seamless user experiences. Seeking to apply my technical skills and problem-solving abilities in a collaborative team environment to drive innovative software solutions.

Technical Skills

HTML , CSS , TailwindCss , JavaScript , **React** , **MongoDb** , Mongoose , **Express** , **Node** , SQL , Mysql , Database Management System (DBMS) , Data Structure and Algorithm (DSA) , C++ Programming , Object Oriented Programming (OOPs) , Git and Github

Projects

Hotel Booking Project (In Progress)

August 2024 - in progress

- Developed a full-stack Hotel Booking Website using JavaScript, React, CSS, MongoDB, Node and Express.
- Created login, register, and admin pages, with distinct roles for users and admins.
- Implemented hotel search, room viewing, and booking features, with user registration required for bookings.
- Admins can manage hotels and rooms through a dedicated admin interface.
- Deployed the frontend on Vercel and the backend on Render for smooth data handling and booking.

Blog Project

May 2024 – June - 2024

- Developed a blog platform using JavaScript, React, TailwindCSS, Redux, and AppWrite.
- Implemented user authentication with login, logout, and signup functionality.
- Added features to create, edit, delete, and view blog posts.
- Managed user authentication state using Redux store.
- Overcame challenges in frontend-backend integration and state management.
- Deployed a fully functional blog platform with a seamless user experience.

Work Sample - [Blog Project](#) , [Github Repository](#)

Personal Portfolio

- Built a personal portfolio website with HTML, CSS, and JavaScript to display projects, skills, and experience.
- Deployed the portfolio on GitHub Pages, ensuring easy accessibility.
- Included sections such as "About Me," project showcase, skills list, and a downloadable resume feature.
- Enhanced professional online presence for better networking and visibility to potential employers.
